OUR STORY

Stonespec Australia was launched in 2010 with a simple philosophy;

'Improve the availability of quality stone in the Australian Marketplace'

Stonespec Australia searches the planet to select premium quality stone from sustainable quarries with manufacturing compliance for commercial and residential markets in Australia.

Our Quality Management System gives our clients confidence that their concept will become a reality.

Stonespec manufactures a range of commercial grade adhesives, grouts and sealers designed to stand up to commercial environment applications.

Some of our Inspirational projects;

Anzac Square, Brisbane
480 Queens Street, Brisbane
Adelaide Riverwalk Bridge
The Star Casino Gold Coast
AFP Canberra
Gold Coast Light Rail

Brisbane Racing Club
Roma City Council
St Joseph's Nudgee College
QUT Garden Point Campus
The Hamilton Remora Rd Complex
Portside Hamilton
Yungaba Redevelopment

"Quality is the best business plan"

Andrew Fiora - Founder of Stonespec Australia

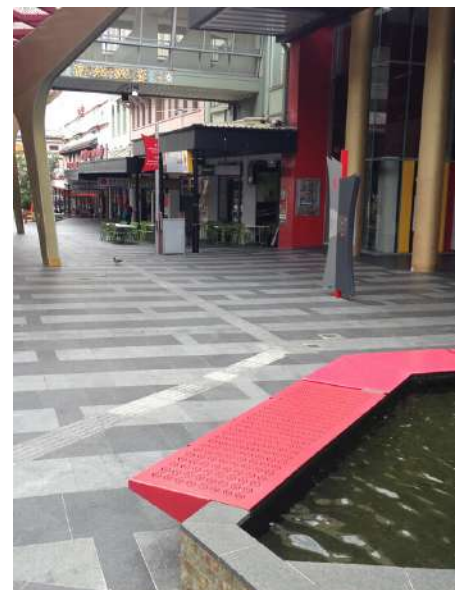

THE QUEENSLAND UNIVERSITY OF TECHNOLOGY

The Queensland University of Technology is a public research university located in the urban coastal city of Brisbane, Queensland, Australia.

Gardens Point is home to a range of arts and entertainment venues, including the Cube, Old Government House, Gardens Theatre and the QUT Art Museum.

Matching Old with New

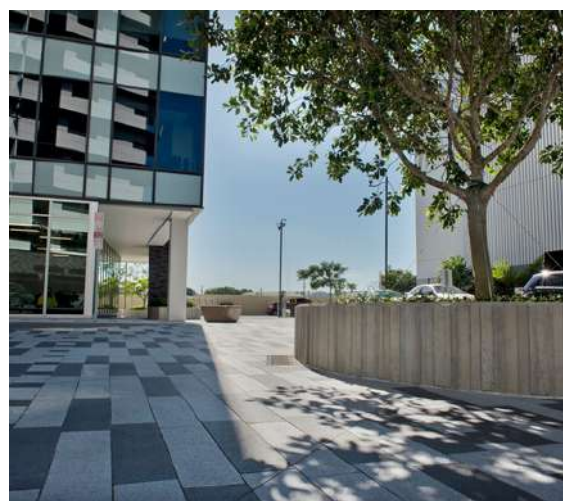

Amazing results were achieved at The Queensland University of Technology, where the aim was to match new stone, to the original stone of yesteryear.

CHINA TOWN, BRISBANE CBD

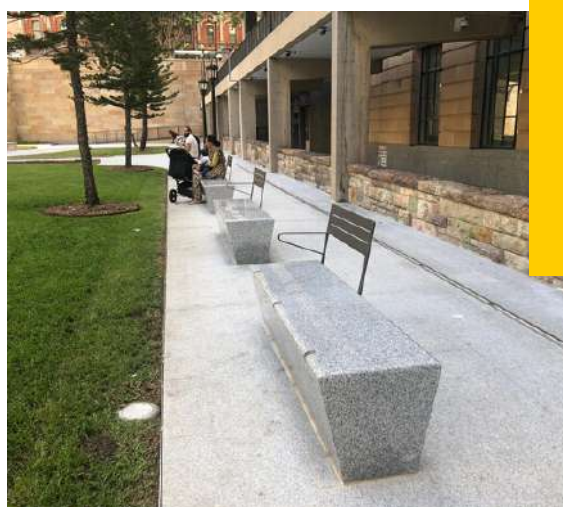

REMORA ROAD BRISBANE

ALocated 6km from Brisbane CBD, The Hamilton sits within the Northshore precinct, the largest urban renewal project in Queensland. Hamilton is the location of Brisbane's international cruise terminal with spectacular scenes of cruise liners as they come and go from the port.

ANZAC SQUARE BRISBANE

ANZAC Square is a heritage-listed town square and war memorial located between Ann Street and Adelaide Street, in Brisbane, Queensland, Australia. It is a state memorial to the men and women who participated in overseas armed service and is named in honour of the Australian and New Zealand Army.

480 QUEEN STREET, BRISBANE

"The important thing is
to not stop
questioning. Curiosity

480 QUEEN STREET, BRISBANE

RIVERWALK BRIDGE ADELAIDE

SOUTH AUSTRALIA

The project's vision was to create not only the bridge, but also a series of new 'people spaces' on the waterfront, each with its own character and amenity. To the south, expanded facilities for the Festival Centre include a new restaurant and offices, outdoor relaxation and event spaces, and a new civic-scaled stairway to the riverfront. This generous stepped outdoor space includes a major water cascade and significant planting.
